Welcome to Week 8A. Our new principal, Trish Sharp visited our school on Monday and Tuesday. She met with the local community, parents/caregivers and teachers. Trish will officially commence at Ivanhoe Central School as principal on Monday 20/04/15 (Term 2 – day 1). Thanks to the parents, care-givers, senior citizens and community members who attended our classrooms and the school assembly for Senior Citizens Week. Our students thoroughly enjoyed your class visits and were excited to sing a traditional Indonesian song at the school assembly.

Our Year 12 students will be commencing their HSC trial exams this week and we wish them all the best. Hopefully, their commitment and constant revision will have proved beneficial. Special thanks must be given to Frances Lawson-Cohen from Wilcannia Central School for visiting Ivanhoe Central School on Sunday 22/03/15. Frances offered extra teaching tuition in Aboriginal Studies, CAFS and Hospitality for Amielee Alexander and Maddison Brennan. This additional support was extremely beneficial for our students and a fantastic support mechanism in their preparation of examinations next week.

**Coming events:**
* Hay Mobile – Monday 09/02/15 from 10:00 am – 3:00 pm
* Preschool with Sally Weymouth & Kim Huntly on Tuesday, Wednesday & Thursday (9:30am – 3:00pm)
* TAFE Welding – after school – Monday 23/03/15 & Tuesday 24/03/15.
* Mr Hannon – professional learning at Buronga Primary School Tuesday 24/03/15 & Wednesday 25/03/15.

**Practise to be a journalist:** This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist. [http://www.fodey.com/generators/newspaper/snippet.asp](http://www.fodey.com/generators/newspaper/snippet.asp)

**Safetytown website:** A road safety education program: This innovative website reinforces the road safety messages that children are learning at school. It provides practical strategies to help families learn how to be safer pedestrians and road users. The seven key road safety messages cover pedestrian safety, car passenger safety, bus passenger safety and safety on wheels (bicycles, foot scooters, skateboards and rollerblades). For further details, visit [https://www.safetytown.com.au](https://www.safetytown.com.au)

**Back by popular demand:** Mention head lice and most of us instantly develop an itch. While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they're not dangerous. Here's everything you need to know to rid your kids of head lice and nits. [http://www.health.nsw.gov.au/environment/headlice/Pages/nitbusters.aspx](http://www.health.nsw.gov.au/environment/headlice/Pages/nitbusters.aspx)
Easter Celebrations

Ivanhoe Central School and Ivanhoe Preschool would like to invite parents and community members to attend our annual Easter celebrations.

When: Wednesday, 1st April 2015 at 2:00pm
Where: School library

Celebrations include Easter Hat Parade, Easter games and Easter egg hunt.
Come along and join in the fun.

**Thinking on your feet:** This week’s most common question on the School A to Z parent website:

Q: What’s a surd?
A: A number that can’t be simplified to remove a square root (or cube root etc).

**Bullying knows no bounds:** When cyber-bullying hits home - what one mum wishes she’d done differently. Because most cyber-bullying happens in the home, parents need to be aware of the technology that young people are using. [http://www.schoolatoz.nsw.edu.au/technology/cyberbullying/when-cyberbullying-hits-home](http://www.schoolatoz.nsw.edu.au/technology/cyberbullying/when-cyberbullying-hits-home)

**LIBRARY**

“**Monster Chef**” written by Nick Bland. Marcel was a monster of medium size, with crotchety horns and googly eyes. He was lumpy and grumpy and suitably hairy, but Marcel had a problem.....He just wasn’t scary. But one day, Marcel discovers that his cooking can give kids a real fright. Has he finally found the perfect job....as a Monster Chef?

“**Calpepper’s Place**” written by Trudie Trewin & Donna Gynell. Calpepper has had enough of plodding through the hot desert sand. He wants excitement, and far away places. Will a bus bound for adventure take him to the perfect place?

---

Mark Densmore – Relieving Principal
Tuesday

We arrived at school at 8:30 am with all of our luggage, ready to go on the Robotics excursion to Sydney. At 10:30 am, we boarded the school bus and Mr Densmore drove us, along with Mr Howlett and Miss Sellens, to the Ivanhoe train station, where we waited for our train to come.

At 11:07 am the Outback Explorer arrived at the station and we quickly boarded the train with our luggage and found our seats. The train trip took 10 hours, so to fill up our time, we read our books, slept a little and did lots of loud talking.

Finally we arrived at Parramatta station, where we were greeted by Mr Howlett’s dad, Ross, who took us to McDonalds for dinner, which was lucky because we were so hungry.

After dinner, Ross took us to Bundilla Scout Camp, which is where we were going to stay for the week. When we got there, we set up our sleeping bags, had a shower and went to bed. We were so exhausted from our long trip, but were excited about being on the excursion.

Wednesday

On Wednesday, we woke up at 5:30 am and had toast and cereal for breakfast. To get ready for our big day we packed our lunches and headed off to Parramatta train station to catch the train to Wynyard station in the city.

We then walked to Martin Place to see the where Sunrise is filmed and the Lindt café were the infamous siege took place in 2014. We then walked all the way across the city to Darling Harbour and went to the SeaLife Aquarium. We had recess then went inside and explored the underwater environment, where we saw some amazing types of reptiles and mammals.

After the aquarium visit, we were treated to KFC for lunch and then went to the IMAX theatre to watch a 3D documentary about Lemurs in Madagascar. We enjoyed afternoon tea at Tumbalong Park at Darling Harbour and then we went for a walk to Chinatown to have a look at Paddy’s Markets.

From Paddy’s Markets, we walked up busy George Street to Town Hall station where we caught a train to Macquarie University for the FIRST Robotics welcome party. At the welcome party, we had the opportunity to meet people from all over Australia and the world. We had a great time dancing, eating and getting photos taken in the photo booth.

By the time we managed to get back to Bundilla Scout Camp, we were more than ready for a shower and bed.
Thursday

On Thursday, we woke up at 6:00 am, had breakfast, packed our lunches and then headed off to Sydney Olympic Park. We had the opportunity to walk through the entire Olympic Park, past ANZ Stadium and the Allphones Arena. Then we finally arrived at the Sports Centre where the robotics competition was being held.

Before we could enter the robot pits as they called them, we had to have our safety glasses on. When we got to our pit, we unpacked our robot, Ivan. As soon as Ivan was unpacked, we started work to get him ready for the competition. Later in the day, we all practised driving Ivan to familiarise ourselves with the driving controls.

Mr Howlett brought some red dirt from Ivanhoe for us to hand out to other teams at the competition. We put this red dirt into little plastic bags as a gift. At recess time, the girls and Miss Sellens were invited to a Ladies Morning Tea with all the other female students and mentors at the competition.

We got lots of help from the other teams who showed gracious professionalism even though they were hard at work on their own robots. After that, we drove back to Bundilla Scout Camp and got changed before heading to the Parramatta Leagues Club for dinner. At the Leagues Club, we were very lucky and got to have a photo in front of the Parramatta Eels Hall of Fame. It was another late night for us all and were more than happy to go to bed early.

Friday

On Friday, we woke up at 6:00 am (earlier than we do at home), got ready, had breakfast and packed our lunch before heading off to Sydney Olympic Park. We arrived at Sydney Olympic early and this time we parked close to the Sports Centre.

As usual, we put on our safety glasses and started working on Ivan to get him ready for the competition. As the Opening Ceremony for the competition was on this morning, we were all very excited and nervous. Early in the day, we competed in a number of rounds that were frustrating at times but exciting also. We were able to win a few games with help from the other stronger Robotic teams.

Half way through the day, we were ranked 3\textsuperscript{rd} out of 32 teams. We were very excited when we saw our name on the screen. As the day went on, we watched the other teams with excitement as they competed. We finished Ivan off with the help of the other teams and in the afternoon we were able to lift totes.

Mr Howlett got very sick from eating a two-day old chicken sandwich. John from Barker College was kind enough to step into Mr Howlett’s shoes and be our drive team coach for the afternoon. At the end of the day, we attended the awards ceremony for the first day and were delighted when we heard our school’s name being announced over the microphone for the Rookie Inspiration Award. At the end of the day, we were ranked 20\textsuperscript{th} out of the 32 teams.

As Mr Howlett was still very ill, we got to have Domino’s Pizza for dinner back at Bundilla.
Saturday

On Saturday, we woke up at 6:00 am, had breakfast and packed our lunch before heading off to Sydney Olympic Park. When we arrived at Sydney Olympic Park, we put on our safety glasses and got Ivan ready for the last day of the competition and went to the opening ceremony.

At the opening ceremony, we listened to the head of Google, the head of Human Relations from Ford, and a video message from Malcolm Turnbull, Minister for Communications. An Aboriginal Didgeridoo and Dance Group performed the Welcome to Country ceremony and performed several dances for the teams. For the Emu Dance, the crowd was invited to participate, and some of our students went down and danced with the group.

After the ceremony, we worked on Ivan and we practised driving on the practice field to make sure we were ready for our next match. For morning tea, the team from Yanco Agricultural High School were very generous and gave our team a box of Kripsy Kreme doughnuts.

We competed in a few more games and we even beat Barker College who were the top ranked team in the qualification rounds. We finished 18th place overall and nervously waited to be chosen by the top 8 teams to form an alliance. We were fortunate enough to be chosen by Team 5331 ‘The Lightning Bots’ from Macquarie University, to form an alliance along with Team 4729 ‘Experiment Mayhem Unit’ from the University of New South Wales.

We competed in two finals rounds but unfortunately we lost both games. We watched the remainder of the final rounds and cheered for our favourite teams. The Team that won was Team 359 ‘The Hawaiian Kids’. After the Grand Final, we packed up Ivan and all our tools so we could get them home.

On the way back to Bundilla Scout Camp, we stopped by Woolworths to get some groceries. We got changed and went to the Parramatta Leagues Club and had dinner with Mr Howlett’s parents, Debbie and Ross and Mr Howlett’s brother, Mitchell. After dinner, we headed back to Camp, had a shower and went to bed.

Sunday

We got to have a sleep in and got up at 7:30am. We had breakfast and packed our lunch before driving off to Parramatta wharf and catching the ferry along Parramatta River, into Sydney Harbour and under the Sydney Harbour Bridge into Circular Quay. From here we walked to the Opera House and had some photos on the steps in front of the Opera House and the Harbour Bridge.

We decided to walk up to Hyde Park where we got to walk past the NSW State Library, NSW Parliament House and the old NSW Mint. Mr Howlett and Miss Sellens were extra nice and let us play in a revolving door on the way.

At Hyde Park, we had morning tea next to the Archibald Fountain, before going to the NSW ANZAC Memorial, where we talked to RSL volunteers who gave us a small lesson about the Memorial and the battles NSW men and women had been involved in in World War One.
From Hyde Park, we went to watch the St Patrick’s Day parade through the city streets. After the parade, we walked to the Sydney Tower. On the way, we saw Senior Constable Blom, the Barrier LAC Youth Liaison Officer, who had visited our school at the beginning of the year. At the Sydney Tower, we watched a 4D movie about Sydney, before catching the long ride lift to the top of the tower. We looked around the tower and were amazed at the view. Next, we walked to Tumbalong Park, where we had lunch, before going to the Powerhouse Museum.

At the Museum, we saw lots of different things including jewellery, shoes, science experiments, trams, planes and the engines from the Space Shuttle. From here, Mr Howlett and Miss Sellens gave us the challenge to navigate the streets from the Museum to Madame Tussauds Wax Museum. We managed to find our way there without getting lost. At Madame Tussauds, we had a great time getting photographs with wax models of famous celebrities.

After the museum, we caught the train from Wynyard Station back to Parramatta, where we bought some groceries before walking back to the car and going to Parramatta Leagues Club for dinner.

Monday

We woke up at 5:30 am, had toast for breakfast and made our lunch and cleaned our rooms. We drove to Parramatta train station and unloaded our bags and ran fast to platform 3 to catch our train back to Ivanhoe. We had two minutes to spare. On the train ride home, many of us slept for most of the way home. Mr Howlett and Miss Sellens were extremely tired. Overall, we had such a fun excursion and learnt many new things and had many laughs along the way.

---

Chickens Ahoy

This term, our Stage 5 students have been raising meat chickens and learning about the Australian meat chicken industry as part of the Royal Agricultural Society’s Meat Bird Pairs Competition.

The 6-week long program started at the beginning of the term when we received a package of 20 chirping chicks. As the weeks have progressed, the students and staff at Ivanhoe Central have been amazed by the rate at which the chickens have grown from a mere 50g to well over 1kg each.

Next week, Ivanhoe Central School will be competing at the Sydney Royal Easter Show in the fowl-judging arena against birds from 70 other schools across NSW.

As our meat chickens are becoming quite large and are almost mature, our Ag students will be selling our meat chickens live for $5/each. The money raised from this will go back into the feed and improvement of our chicken coop for our 10 laying chicks.
WHAT IS ICPA?

The Isolated Children’s Parents’ Association is a voluntary organisation for parents who live in rural areas whose children:-

- Attend a rural pre-school or access early childhood through a mobile service.
- Attend a small rural school.
- Attend Country Area Programme (CAP) funded activities.
- Study by Distance Education lessons.
- Travel to school by bus or private vehicle (daily, weekly or at the end of term).
- Board away from home to access primary or secondary school at a boarding school, agricultural high school, hostel, private board or maintain a second home.
- Attend a Tertiary institution - University /TAFE /College.

From Pre-School to Tertiary ICPA may be able to help you!

Are you aware that many boarding schools offer scholarships to children of ICPA members?

HOW DOES ICPA WORK?
ICPA supports both government and non-government systems of education.

ICPA seeks to achieve equality of access to educational opportunities for geographically isolated students living in rural and remote areas by way of government funded allowances to compensate for the costs incurred in gaining access to an appropriate educational facility. The last increase in the AIC allowance was gained through the persistent lobbying by State and Federal Councils.

WHAT WILL I BE ENTITLED TO IF I JOIN ICPA?

Membership entitles you to copies of our quarterly newsletter “The Top Wire” and the national magazine “Pedals”. Details of scholarships, allowances and information that affect your child’s education are found in “The Top Wire”. When you join you will be kept informed on the activities of ICPA and the education providers as well as Government decisions. State Council members are all volunteers but are happy to give advice on individual problems. They receive no remuneration for their time but are happy to help you access an education for your child regardless of where you live.

HOW DO I JOIN?
If you would like to join Balranald Branch, please contact Claire Butler 0350 206 871 or Kylie Palmer 02 6995 4894 Balranald Branch covers Euston, Balranald, Moulamein, Clare and Ivanhoe.

ICPA WOULD APPRECIATE YOUR SUPPORT

Calling all...
WILD WACKY WONDERFUL WOMEN

Come to a unique, fabulous and fun personal development day with Sandra and Natalie

Ivanhoe RSL Club
Saturday 20th June, from 9.30am to 4pm

This is a FREE and FUN DAY!

Morning tea and a light lunch will be provided

RSVP essential for catering

Please also advise if you will join the men at the pub to eat at night—at your own cost, to:

Gerrie Carmichael 6995 3981 or
Leonie Thomas 6995 3951
Or call Ros Ruzicka Rowe 0408 899 846 for further information

Vici & Emma from the Mobile Toy Library will be at the RSL during the day

Sandra Martin
Colour flow analysis

• The right colours ensure you look vital, healthy, bright and energetic
• Feel more confident and empowered for all aspects of our life
• Save time and money when you shop

Australian Government
This event is part of the Australian Government’s Drought Assistance Package
2014-2015 Family Energy Rebate

Apply before Midnight 16 June 2015

WHAT IS THE FAMILY ENERGY REBATE?
The Family Energy Rebate helps to cover the cost of energy bills for NSW households with dependent children. In 2014-2015 the rebate gives:

• Up to $150 credit on electricity bills for eligible applicants who hold an account with an electricity retailer
• Up to $165 direct payment to nominated bank accounts for eligible applicants who live in a residential community (caravan or mobile home park) and receive electricity from the park operator.

AM I ELIGIBLE FOR THE REBATE?
To be eligible you MUST:

• Be a NSW resident; and
• Have been assessed by the Federal Department of Human Services (DHS) as being eligible for the Family Tax Benefit (FTB) A or B at any time during the 2013-2014 financial year, and have received an FTB payment in respect of that eligibility; and
• Be an account holder of an electricity retailer, or a long-term resident of a residential community (caravan or mobile home park), whose name appears on the electricity account for supply to her or his principal place of residence.

WHAT DO I NEED TO DO BEFORE I APPLY?
Before you apply, here’s a quick checklist. Have you:

• Lodged your tax return for 2013-2014 with the Australian Taxation Office or informed the Department of Human Services (DHS) if you are not required to lodge a tax return?
• Received confirmation from DHS as to your eligibility for Family Tax Benefit A or B for 2013-2014?

HOW TO APPLY

• ONLINE – it takes just two minutes to submit an application. Processing starts immediately.
• PAPER – download a form from the website, complete and submit by email, fax or post. Use this form if you receive your electricity from the operator of the residential community where you live.

Men’s Health Workshop in Ivanhoe

With Neville Brady

at the Ivanhoe Hotel Motel

Saturday 20th June

Registrations from 3.30pm with afternoon tea

Be brave! It’s time to join your mates, have some laughs and hear what Neville has to say about health and lifestyle.

Neville may tell you:

- How to stop your wife from nagging!
- When everyone is giving you the @#$%^, then everyone can’t be wrong!
- You can’t be a parent when you’re being a child
- Why women live longer than men – because women deserve a rest!
- And a whole lot more!!!!

Catch up with your mates and hear Neville’s latest sayings and health statistics.

This is a free event

Dinner will be available at the Ivanhoe Hotel after, at your own cost but you must RSVP for catering and to book your place to:

Gerrie Carmichael 6995 3981 or
Leonie Thomas 6995 3961

Call Ros Ruskin Rowe 0403 899 846 for further information about the workshop
Men’s Health Workshop in Ivanhoe
With Neville Brady

Neville Brady, who grew up on a farm at Swan Hill, became an AFL player with Richmond and now conducts men’s health programs across Australia.

Neville is the son of a shearing contractor and has a close affinity with the land and rural people. After his football career ended with Richmond, Neville returned to study, firstly in marketing and later in counselling psychology. He has since undertaken training in suicide intervention, family mediation and leading parenting groups.

Neville started a consulting business 14 years ago and is passionate about men’s health and speaks about it with humour and a keen understanding of the issues facing rural men. His talk will cover recognising warning signs, what women want from their men, why men’s death rates are twice that of women’s (up to age 60), and issues surrounding men’s health problems in general.

While touching on serious topics, Neville’s presentations are engaging and entertaining and designed to stimulate better relationships and work practices.

Neville is passionate about the work he does in men’s health. He has conducted men’s health programs throughout regional Australia.

His presentations are highly engaging and participants laugh out loud at some of his men’s health stories.

ITEMS FOR PUBLICATION IN MONDAY NEWS

Please do not leave it until the last minute to submit your items for publication in Monday News. Whenever possible, submit these to reach the school (by email or fax) by Friday of each week prior to publication. This will ensure they are included in the next Monday News.

Phone - 02 6995 1108   Fax - 02 6995 1290   Email - Ivanhoe-c.school@det.nsw.edu.au

Just a reminder that it will also be available on our school website along with some previous editions http://www.ivanhoe-c.schools.nsw.edu.au/newsletters

Community Notices are accepted in good faith and without charge at the discretion of the Principal. All notices need to be submitted before 10.00am each Monday morning (no later please)

IVANHOE CAMPDRAFT CLUB

The Ivanhoe Campdraft Club would like to congratulate Trish Baxter and Kylie Palmer on becoming the new President and Treasurer respectively. We look forward to working with you and thank you for providing your services to the club.

On behalf of the Ivanhoe Campdraft Club we would also like to thank outgoing executives Brian Thomas and Kylie Rees for their 15 years of service. Their contribution is greatly appreciated—they helped get the event off the ground and build it into the very well regarded campdraft it has become today.

Jo Griffiths
Ivanhoe Campdraft Secretary.
